

The 34th World Congress on Controversies in Obstetrics, Gynecology & Infertility (COGI)

November 12-14, 2026 | Athens, Greece

ABOUT COGI

The World Congress on Controversies in Obstetrics, Gynecology and Infertility (COGI) is a unique forum that brings together international experts to debate the most controversial and clinically relevant issues in women's health, with a strong focus on interaction, discussion and practical insights.

Founded by Prof. Zion Ben Rafael in the early 1990s, COGI has grown into a leading global congress, offering a multidisciplinary and comprehensive overview of the latest research and developments across obstetrics, gynecology and infertility.
